The meeting will be **7 pm on Monday August 10th** at Cutter's Point in the new Home Depot/Red Robin shopping area. KL PTSA NEWS

Final Kentlake PTSA Membership Number: 294

Thanks to everyone who joined KL PTSA this year!

Message from Outgoing President:

Dear Kentlake Families,

I wanted to thank all of you for giving me the opportunity to serve as the Kentlake PTSA President.

We accomplished a lot over the past two years, and it was very fulfilling to me as a parent to be involved with such a wonderful and giving board and staff at Kentlake.

I will still be involved with the PTSA, there are many opportunities to volunteer, and I have been asked to help out with several committees.

I hope that you will consider getting involved next year also. Together we CAN make a difference in the lives of children.

Thank you again, Karin Powell

Message from Incoming President:

I am excited to serve as next year's KL PTSA president. I look forward to working with the new board members who have also been elected for the 2009-2010 school year. They are Co-vice Presidents

Jennifer Netherda and Gina Hendrickson, Treasurer Tamara Nason, and Secretary Meg Stockman. We all look forward to working with those who plan to continue in their committee work next year.

We also hope to have the opportunity to work with you!! Yes, if you are reading this newsletter, then we hope this means that in some way, you will participate in Kentlake PTSA next year. Perhaps, you want your involvement to just be supporting PTSA by becoming a member – membership forms will be available in the fall for you to join. However, we would encourage you to think a little beyond the membership only status and give just a little bit of your time in the coming year. There are many, many opportunities in which you can become involved next year. Not only does your student benefit when you become involved, but many others will benefit as well. To discuss these opportunities for next year, please either call or e-mail me. My contact information is below.

I'd like to share this quote by Mary Jean LeTendre: *"America's future walks through the doors of our schools each day."* Let's all work together for the future of Kentlake High School students, America's future!
