Outstanding Awards Recommendation Form 2018-2019

We all know them. Those people who go beyond, give beyond, without seeking recognition or compensation. Kentlake Community PTSA wants to honor individuals who give so much of themselves to our community. Please take some time to nominate someone special for one or more of the awards below. Recipients will be chosen by the Kentlake Community PTSA Awards Committee. A contribution will be made in their name to the WA State PTA Scholarship Program, and they will be recognized at the Kent Area Council PTA Founders Day Dinner in May. But most important, you will be saying "Thank you" for all they do.

The Golden Acorn Award is awarded to an individual who has given outstanding service to all children and youth in our school community, not just an individual who has donated time to help with his/her child's activities. The Golden Acorn Award is given to recognize volunteer service "above and beyond" a particular job description and for continued and dedicated service.

I recommend that _____ be considered for a Golden Acorn Award.

The Outstanding Advocate Award is awarded to an individual for continued and dedicated service to ALL children and a demonstrated commitment to helping create strong policies relating to the health, welfare, safety, and education of children and youth. Advocates are those who are active in legislative issues on a state or national level, or individuals who work with the district or with their school administrators on student issues. Individuals who try to change things for the benefit of children at a local, district, state or national level are advocates. This Outstanding Advocate could be a PTA grassroots advocate, teacher, assistant, administrator or community member.

I recommend that _____ be considered for an Outstanding Advocate Award.

The Outstanding Student Advocate Award is awarded to a student who shows the same passion for positive change. This student strives to make significant contributions through leadership and service in their school and community.

I recommend that _____ be considered for an Outstanding Student Advocate Award.

The Outstanding Educator Award is awarded to an individual who goes beyond the normal expectations of their job to make the learning environment fun, beneficial and challenging. This educator demonstrates excellence in teaching, enabling students to be the best they can be and helping students develop the tools they need to be successful now and in the future. An educator may be a teacher, assistant, support staff, custodian, administrator or community member.

I recommend that _____ be considered for an Outstanding Educator Award.

Please tell us why you think these individuals should be selected as award recipients. Be as specific as possible. Take as much space as you need.
